

CERTIFICATE

This is to certify that

AKASH V G

of

COLLEGE OF ENGINEERING CHERTHALA

has successfully completed a **7-Day Internship** on **EV Design & Testing in Virtual Reality**
organized by Techmaghi from **15 June 2025 to 21 June 2025**.

The internship covered core and advanced concepts of electric vehicle design, components, and e-mobility innovations. Participants gained hands-on experience in powertrain modeling using MATLAB Simulink and designed EVs using immersive virtual reality tools.
